

# The 21st China Ferro-Alloys International Conference

## Invitation Letter

Dear Industry Colleagues,

The 21st China Ferro-alloys International Conference, hosted by Ferro-Alloys.com, will be held on **28 May to 30 May, 2025 in Beijing city, China**. This prestigious event is set to be the most significant gathering of ferroalloys industry professionals, offering unparalleled opportunities for learning, networking and collaboration.

**The 21<sup>st</sup> China Ferro-Alloys International Conference**

May 28 to 30, 2025  
Beijing, China

- ▶ One of the most influential event in ferro-alloys and steel industries globally
- ▶ A leading-industry platform to expand businesses for buyers, sellers and traders
- ▶ Get expert forecasts and insights to stay ahead of the market and competition
- ▶ Professional service team for one-to-one trade matching ▶ Budget-friendly costs for whole details

Hosts:  中国铁合金网  
Ferro-Alloys.com

 IMRA International Metallurgical Resources Industry Association

Conference Details: [www.Infacon.org](http://www.Infacon.org), [www.ferro-alloys.com](http://www.ferro-alloys.com)

### Why Attend?

The ferroalloys industry is at a pivotal moment, with evolving market dynamics, technological advancements, and sustainability challenges shaping its future. This conference is designed to provide you with the insights, connections, and tools needed to navigate these changes and seize new opportunities.

### Who Should Attend?

- **Ore Miners and Traders**
- **Ferroalloys Manufacturers**
- **Equipment & Technical Providers**
- **Steel Mills**
- **Funds Investors**
- **Supply Chain Insiders**

### Event Highlights:

1. **Expert Insights:** Hear from industry leaders and experts on the latest trends, market forecasts, and technological innovations.
2. **Networking Opportunities:** Connect with key decision-makers, suppliers, and buyers from across the globe.
3. **Exhibition Showcase:** Explore cutting-edge technologies, equipment, and solutions from leading providers.

4. **Panel Discussions:** Engage in thought-provoking discussions on sustainability, trade policies, and investment opportunities.
5. **B2B Meetings:** Schedule one-on-one meetings to foster partnerships and collaborations.
6. **Visiting Plants:** 2 days Visit to FeCr, SiMn and FeCr in Inner Mongolia.

(need to book first seat)

### Sponsors and Supporters

### How to Register:

Visit our official website at [www.ferro-alloys.com](http://www.ferro-alloys.com) to register and learn more about the conference agenda, speakers, and sponsorship opportunities to attract more insiders attention and business expanding.

### Why Beijing?

As the capital of China and a global hub for trade and innovation, Beijing offers the perfect backdrop for this international conference. Attendees will also have the chance to experience the city's rich culture and history.

Don't miss this opportunity to be part of the most influential event in the ferro-alloys industry. Join us in Beijing to gain valuable insights, expand your network, and contribute to the future of the industry.

We look forward to welcoming you to **The 21st China Ferro-Alloys International Conference!**

Best Wishes and Warm Regards,

### The Organizing Committee
