

2026 CHINA INTERNATIONAL CRITICAL MINERALS & FLUORITE INVESTMENT SUMMIT

14-16 October 2026 | Beijing, China

SUMMIT THEME: BUILDING RESILIENT CRITICAL MINERAL SUPPLY CHAINS TOGETHER

GUIDED BY	International Metallurgical Industry Resource Association (IMIRA)
HOSTED BY	Ferro-Alloys.com
MEDIA SUPPORT	Chinmetal Mining CEO Club; Mining Intelligence Hub

The 2026 China International Critical Minerals & Fluorite Investment Summit will be held in Beijing from 14 to 16 October 2026. The summit will convene leaders from mining, investment, processing technology, downstream industry and international trade to advance sustainable development across the critical-minerals and fluorite value chains.

Summit Purpose & Objectives | Strategic insight. Commercial connection. Sustainable growth.

Summit Purpose

To establish a leading international event for critical minerals and fluorite, with particular attention to potential demand created by emerging applications in semiconductors, battery technologies and other advanced industries. The summit will provide a high-level platform connecting global mining capital, beneficiation technologies and market opportunities, while promoting the sustainable development of the critical-minerals and fluorite industries.

Summit Objectives

- **Explore opportunities:** Analyse international fluorite-market trends and identify high-quality mining-project investment opportunities.
- **Promote cooperation:** Connect upstream and downstream companies and facilitate strategic investment, mergers, acquisitions and joint ventures.
- **Lead innovation:** Share advanced technologies and ESG practices to support green transformation and digital upgrading across the industry.

Four Core Themes

The summit will examine four interconnected themes designed to combine strategic relevance with clear commercial value.

1. CRITICAL MINERALS STRATEGY • Global supply-chain security and diversification trends • Latest critical-minerals policy developments in China and worldwide • Investment trends and priority regions for strategic resources • New opportunities for cross-border trade and cooperation	2. FLUORITE INDUSTRY DEVELOPMENT • Global fluorite supply, demand and market outlook • High-quality fluorite mining-project opportunities • Deep processing and high-value beneficiation-product technologies • Acid-grade and metallurgical-grade market opportunities
3. INVESTMENT & GLOBAL EXPANSION • Innovative project-financing and capital-raising models • M&A and joint-venture cases and opportunities • Private-equity and institutional-investor strategies • Risk management for overseas mining investment	4. TECHNOLOGY & INNOVATION • Advanced mineral processing, extraction and recovery • ESG and sustainable mining practices • AI and big-data applications in mining operations • Fluorine-containing materials for energy and semiconductor applications

Preliminary Programme | 14-16 October 2026 | Beijing

TIME	PROGRAMME
WEDNESDAY, 14 OCTOBER 2026 - REGISTRATION & NETWORKING	
14:00-18:00	Delegate Registration, Networking and Exhibition <i>A dedicated business-meeting area will be available. One-to-one project meetings must be reserved in advance. Exhibition and project displays will run throughout the registration period.</i>
THURSDAY, 15 OCTOBER 2026 - KEYNOTE ADDRESSES & THEMATIC FORUMS	
SESSION I - CRITICAL MINERALS STRATEGY	
08:30-08:40	Opening Remarks <i>Organizing Committee</i>
08:40-09:20	Insights into the Restructuring of Global Critical-Mineral Supply Chains <i>Renowned expert (to be confirmed)</i>
09:20-09:50	Latest Policy Analysis on China's Critical Minerals and Metals under the 15th Five-Year Plan <i>Ministry of Natural Resources of China (invited)</i>
09:50-10:20	Investment Trends in Strategic Resources and Mining-Investment Opportunities in Mongolia <i>Mongolian Fluorite Minerals Association (invited)</i>
10:20-10:50	Development and Investment Opportunities in China's Fluorite Industry in 2026 <i>Fluorite Mines (invited)</i>
10:50-11:00	Q&A and Coffee Break
SESSION II - FLUORITE INDUSTRY DEVELOPMENT	
11:00-11:30	Global Fluorite Market Landscape and Outlook <i>Information Center, Ministry of Natural Resources of China</i>
11:30-12:00	Value Enhancement: Deep Processing of Fluorite and Technologies for High-Value Beneficiation Products <i>Expert, NUCTECH Company Limited</i>
12:00-12:30	Acid-Grade and Metallurgical-Grade Fluorite Markets and Cross-Border Trade Opportunities <i>Market expert (invitation pending)</i>

Preliminary Programme | 15 October 2026 | Afternoon Sessions

TIME	PROGRAMME
SESSION III - INVESTMENT & GLOBAL EXPANSION	
14:00-14:20	Risk Management for Corporate Global Expansion and Overseas Mining Investment <i>Mr. Wu Yonggao, Partner, Commerce & Finance Law Offices</i>
14:20-14:40	South Africa Fluorite Mining Investment Opportunities <i>Mr. Allan Daniel, Project Manager, Eurasian Resources Group (ERG) - Africa</i>
14:40-15:00	Investment Logic of Private Equity and Institutional Investors in Fluorite Mining <i>Mr. Chen Chuanbai, General Manager, Aerospace Environmental Protection Industry Investment (invitation pending)</i>
SESSION IV - TECHNOLOGY & INNOVATION	
15:10-15:30	The Role of Fluorite-Beneficiation Depressants and Case Studies <i>China representative, Italy Silvateam Group (confirmation pending)</i>
15:30-15:50	Applications of Digitalization and Artificial Intelligence in Mineral Exploration <i>Dr. Chen, remote-sensing research and teaching specialist, China University of Geosciences</i>
15:50-16:10	Fluorite-Beneficiation Equipment and Applications of New Technologies <i>Fluorite Mining Machinery (invited)</i>
16:10-16:30	Application Prospects of Fluorite in New-Energy Batteries <i>Organic Chemistry Institute (invited)</i>
16:30-16:50	Emerging Applications of Fluorine-Containing New Materials in Fluorochemicals, Semiconductors and Related Fields <i>Fluorochemical industry (invited)</i>
16:50-17:10	Fluorspar usage in cement production <i>Hakan Tamer, General Manager, Tamer Mining, Turkey</i>
18:00-21:00	Appreciation Banquet
FRIDAY, 16 OCTOBER 2026 - PROGRAMME TO BE CONFIRMED	

Who Should Attend & Registration | Meet decision-makers across the entire value chain

Target Participants

- **Resource sector:** Mining and exploration companies; critical mineral project developers.
- **Capital sector:** Institutional investors, private-equity funds, financial institutions and investment banks.
- **Industrial sector:** Fluorochemical producers, steel and aluminium manufacturers, and battery-material manufacturers.
- **Trading sector:** Domestic and international commodity-trading companies.
- **Service sector:** Engineering and technology providers, government agencies and industry associations.

Companies across the fluorite value chain are warmly invited to join us in Beijing and help shape the future of the critical-minerals industry.

Conference Enquiries and Registration

Sponsorship Cooperation	Mr. Liu: +86 185 1078 6828
Registration & Exhibition	Additional contact (name to be confirmed): Ms. Gao +86-16291223054 Ms. Li: +86 13011017579

Speaker Applications	Mr. Tian tianyw@ferro-alloys.com
Websites	www.ferro-alloys.com ferro-alloys.cn www.imria.org
Email	conference@ferro-alloys.com oreworld@126.com
Registration Form	The conference registration form is referenced as a separate attachment.
